MEMORANDUM CIRCULAR

TO : The Deputy Administrators, Department Managers, Regional Irrigation Managers, Operations Managers, Project Managers, IMO Managers, Division Managers and All Others Concerned

SUBJECT : **GUIDELINES IN THE IMPLEMENTATION OF THE 50:50 NIA-IA IRRIGATION SERVICE FEE (ISF) COLLECTION SHARING UNDER IRRIGATION MANAGEMENT TRANSFER (IMT) PROGRAM FOR THE LAST CROPPING SEASON OF CROP YEAR 2016**

Pursuant to NIA Board of Directors' Resolution No. 8379-16 series of 2016 dated December 13 2016, approving the request of the National Confederation of Irrigators' Association (NCIA) on the above subject matter, the following parameters are hereby circularized.

1. This special NIA-IA ISF collection sharing arrangement under the IMT program is only applicable for the last cropping season of Crop Year (CY) 2016. For clarity, the last cropping season of CY 2016 is defined as the cropping period done during the second half or latter part of CY 2016 regardless of whether the crops were harvested within CY 2016 or in the early part of CY 2017.
2. Only IAs with existing ISF collection responsibilities in their current IMT contracts are eligible under these guidelines.
3. Notwithstanding the NIA-IA ISF collection sharing provision in the IMT contract (i.e. 70:30; 60:40; 50:50; etc.) wherein the NIA share in the collected amount should be satisfied first, any amount of ISF current account collected by the IA shall be divided equally (50:50) by NIA and the IA.
4. ISF back accounts collected by IAs shall be governed by existing policies and guidelines and therefore not part of these guidelines.
5. The IMT payment criteria and schedule as stipulated in MC # 27 s. 2011 shall be followed.

For your guidance and implementation.
