OFFICERS-IN-CHARGE OF SYSTEMS &

This Office

SUBJECT : National Food Festival

The Rice & Corn Production Coordinating Council, pursuant to the instructions of Executive Secretary Rafael M. Salas, and upon direction of the President, is coordinating a nationwide food production promotions program that will culminate in the celebration in the second week of this coming November of a National Food Festival. It will be highlighted by a mammoth parade at the Luneta, with the theme "National Emancipation From Hunger".

The Festival will also feature the awarding of Presidential citations and valuable prizes to leading individuals in food production. To afford us a wider participation in this activity, aside from the selection of "Outstanding Watermaster", we have recommended to include two other categories, such as "Outstanding Project Engineer" and "Outstanding Irrigation Superintendent or Chief of Irrigation System".

Below are the particulars regarding the selection of nominees from your respective offices:

- a. Outstanding Project Engineer and Outstanding Irrigation Superintendent or Chief of Irrigation System - Nominees for these awards shall be chosen by the respective Regional Irrigation Engineer.
- b. Outstanding Watermaster - Nominee for this award shall be chosen by the respective Irrigation Superintendent or Officer-In-Charge of the System.

You are hereby requested to submit the names of the nominees for these three categories to this Office (ATTN.: Mr. Conrado G. Mercado, Chairman, Committee on Selection and Awards) not later than September 20, 1968. The names submitted shall be accompanied with the corresponding justification and criteria as bases for the selection.

Strict compliance hereon is enjoined.
