SUBJECT : Modification of NIA Equipment Rental Rates

In order to encourage maximum utilization of NIA construction equipment and motor vehicles, the present rental schedule is hereby modified as follows:

- (a) Present rental rate made effective October 1, 1970 shall be maintained for equipment usage of 100 hours or less per month.
- (b) A rebate of 15% shall be extended for usage in excess of 100 hours during a particular month. Attached is the rental schedule to this effect.
- (c) This rebate will apply only to NIA force account work (Irrigation projects).

Please be guided accordingly.
