SUBJECT : WFP 285 - Improvement of the National Irrigation  
Systems

You are hereby informed that an advice has been received from the WFP Assistant Project Officer, Philippines, that a team is arriving to undertake the evaluation and assessment of the results of food assistance under Project 285 particularly in connection with our request for the extension of the above project. The team is tentatively set to arrive and inspect the project sites from June 2-15, 1971. The composition of the above-mentioned team is as follows:

1. FAO Irrigation Engineer;
2. FAO Land Reform Adviser in the Philippines;
3. ILO Employment Adviser in the Philippines; and
4. WFP Evaluation Service Officer from Rome.

The team will gather relevant data on the project particularly as regards project accomplishments, commodity distribution and utilization, problems and difficulties encountered, etc.

In view hereof, you are hereby advised to prepare all relevant data pertaining to the above-mentioned requirements and submit them for transmittal to the Evaluation Team not later than June 2, 1971.

Strict compliance is enjoined.
