S U B J E C T : Use of NIA Construction Equipment by Associations in Rehabilitation Work

Effective immediately, associations which are working hand in hand with NIA field offices in rehabilitation work, ~~may~~ be allowed to use construction equipment rental free, provided that they shoulder the expenses for fuel, oil, and operator's wages and the use of the equipment will not exceed 10 days, and provided further that the use of the equipment will not interfere with NIA's on-going construction projects. When the use of the equipment exceeds 10 days, equipment rentals will be charged.

In case of emergencies during major calamities like floods, typhoons, earthquakes, and fires, the use of NIA equipment without rental fees for a period not exceeding 10 days may be authorized.

No equipment shall be released in the above cases without the prior approval of the Administrator or the Regional Irrigation Engineer.

All previous circulars inconsistent herewith are hereby amended or superseded.
