National Irrigation Administration

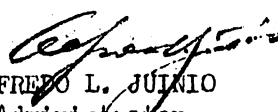

SUBJECT : Delegation of Authority to Chiefs of Provincial Irrigation Offices

In pursuance to the agreement arrived at during the conference of Regional Irrigation Engineers on August 6-11, 1973, it is informed that officers-in-charge of provincial irrigation offices are hereby authorized to enter into contract in representation of NIA, with pump recipients under the following conditions:

1. That the application for the acquisition of pump has been approved by the Regional Irrigation Engineer upon the recommendation of the Chief of the provincial office;
2. That the pump recipient wants the pump to be delivered to the provincial office;
3. That the applicant agrees to shoulder the additional cost of shipping the pump set from the regional office to the provincial office;
4. That pump recipient shall be informed by messenger of the arrival of his pump set.

This delegated authority is intended to facilitate the issuance of pumps to attain the general objective. It should be interpreted in this spirit and should not cause any red tape in the issuance of pump sets to pump recipients.
