MEMORANDUM for:-
The Administrator
NIA, Quezon City

The limit of P1,000.00 as fixed in your MC No. 59, s. 1967, seems too low if we consider the present cost of supplies, materials and equipments. The request of Engineer Laconico to increase said limit is reasonable. We suggest that MC No. 59 be amended accordingly.

In our office orders issued to our field offices, we have authorized the assistant regional auditors, in the absence of the regional auditors, to countersign vouchers and checks in amounts equal to those which the regional auditors can countersign.

Corporate Auditor
