National Irrigation Administration**

**SUBJECT : Effectivity of the Increased Government Support Price for  
Palay of P1.70 per Kilogram**

The government support price for palay as implemented by NFA was increased from P1.55 to P1.70 per kilogram effective May 22, 1982.

For the benefit of farmer irrigation users and to provide a grace period of one cropping season, the new support price of P1.70 per kilogram shall take effect December 1, 1982, for purposes of payment of irrigation fees in cash. This means that farmers who will pay their irrigation fee accounts in cash on or before November 30, 1982 can still avail of the privilege of using the old rate of P1.55 per kilogram in determining the cash equivalent. Starting December 1, 1982, the conversion rate will already be P1.70 instead of P1.55 per kilogram.

This memorandum circular shall automatically supersede MC #38, s. 1981, on December 1, 1982 and shall be in force and effect until otherwise superseded and/or revoked.

Please be guided accordingly.
