SUBJECT : Amendment to MC No. 87 S. 1980, Implementation
of NIA-Bayer Educational Program on
Agricultural Crop Production

In connection with MC No. 87 S. 1980 regarding Implementa-
tion of NIA-Bayer Educational Program on Agricultural Crop
Production, please be informed that No. 6 para. 3 Letter C of
Item V in the Implementing Guidelines in the Selection of
Farmer Cooperators has been amended as follows by the Central
Management Committee in its meeting last June 15, 1984 consider-
ing the propositions to this effect by the Project Implementing
Committees:

Amendment

No. 6 - "He must not have any arrears both in irrigation
fees with NIA and M-99 loans. However, if the
situation favorably warrants, the inclusion of
non-paying farmers as cooperators may be locally
considered on a case to case basis provided there
is assurance that henceforth the cooperat~~r~~ will
pay his irrigation fees. Wise judgment should be
exercised taking into consideration the objectives
of the program and impact of such move on the
program's success."

Please be guided accordingly.
