SUBJECT : Application of 10% Discount on Full Payment of
Current ISF Amending MC 47, s. 1978

In order to encourage full payment of current irri-
gation service fees and avoid further accumulation of ISF
back accounts, the 10% discount granted as incentive to
irrigation users for prompt payment shall be applied effec-
tive immediately to current irrigation service fees that
are only paid in full on or before the prescribed deadline
date of payment.

This amends MC 47, s. 1978 which allows 10% discount
even on partial payment of current ISF.

Please be guided accordingly.
