MEMORANDUM CIRCULAR

TO

LPF-

THE ASSISTANT ADMINISTRATORS, DEPARTMENT/STAFF/ HEADS, REGIONAL IRRIGATION DIRECTORS, PROJECT/ OPERATIONS MANAGERS, PROVINCIAL IRRIGATION ENGI-NEERS, PROJECT ENGINEERS, IRRIGATION SUPERINTEN-DENTS AND ALL OTNERS CONCERNED This Agency

SUBJECT : Inventory of Lands Acquired By the NIA

One essential input in the preparation of Project Completion Reports (PCRs) on newly completed foreign-assisted and/or locally funded NIA projects is the inventory of parcels of land acquired by the project through sale; lease, donation, expropriation or any similar mode of acquisition, including inventories of paid and unpaid plant, crop and other damages incident to the construction and/or rehabilitation of national irrigation systems.

In order that said data required in the report on every newly completed project are made readily available, it is hereby directed that the aforementioned inventories, using the attached forms marked as Annexes "A" and "B" of this Circular, shall be undertaken in accordance with the instructions enumerated hereunder by all on-going NIA projects:

- 1. The attached forms must be reproduced in legal size bond or mimeograph papers in order to maintain a uniform file of records of subject data in the central and field offices.
- 2. Unpaid real properties, plants, crops and other damages including untitled and unregistered acquired real properties previously reported in any inventory report. should be included in subsequent inventory report's when actual payment, titling and/or registration have been made, indicating under the "Remarks" column of the inventory report opposite each item the following information, whichever is applicable:

a. Previously reported as Unpaid as of ______, 19____.

5. Previously reported as Untitled as of _____, 19___,

c. Previously reported as Unregistered as of , 19

3. Parcels of land acquired through any mode of acquisition for use as office sites, WMT/GK/DT working

:,

stations/quarters, including sites for pumping stations and similar project facilities, should he titled and the corresponding Tax Declaration secured in the name of NIA in accordance with existing laws, rules and regulations. Parcels of land acquired for access/service roads, main canals, laterals, sub-laterals, main and/or supplementary farm ditches need not he titled in the name of NIA but the areas acquired should invariably he annotated by the Register of Deeds at the back of the Certificates of Title and the same segregated from the Tax Declaration of the landowners concerned.

- 4. Certificates of Title of landowners whose properties are traversed by the project facilities, duly annotated by the Register of Deeds must be clearly reproduced in their entirety and the reproduced copy must be attached to the inventory report submitted.
- 5. Project Offices must retain for their file and reference a duplicate or reproduced copy each of all documents forwarded to the Treasury Department.

Subject inventories shall be undertaken by all on-going projects which have not as yet been inventoried by C.O. and Regional/Project Staff as of this date. Initial inventory report of these projects should be made as of June 1985 and every semester thereafter to be submitted to this office; Attention: Treasury Department.

All inventory reports must we supported by relevant documents, such as Deeds of Sale/Donation, Lease Contract, Certificates of Title, Tax Declaration, etc.

Queries related to the accomplishment_of said inventories may we addressed to this Office, Attention: Treasury Department, for clarification purposes.

Strict compliance is hereby enjoined.
