MEMORANDUM CIRCULAR

TO : THE DEPUTY ADMINISTRATOR, ASSISTANT ADMINISTRATORS,
DEPARTMENT MANAGERS, REGIONAL IRRIGATION/OPERATIONS
MANAGERS, PROVINCIAL IRRIGATION ENGINEERS, IRRIGATION
SUPERINTENDENTS/OFFICERS-IN-CHARGE, REGIONAL/PROJECT
ACQUAINTANTS/EQUIPMENT MANAGERS, AND ALL OTHERS CONCERNED.
THIS OFFICE

SUBJECT : AMENDING PORTION OF MC No. 57, s. 1990, RE: ESTABLISHMENT
OF A "REVOLVING FUND FOR EQUIPMENT REPAIRS (REFER)"

In the original plan of MC No. 57, s. 1990, disbursements from the P1.0 M revolving fund are limited to construction equipment and vehicles earning equipment rentals. Said scheme does not include repair of utility vehicles and motorcycles being used by the Operation and Maintenance personnel of National Irrigation Systems being rehabilitated under IOSP. However, these equipment are indispensable in the O & M of irrigation systems and should therefore be given similar priority in repair funding.

In view of the above, effective immediately, avancement of funds under "REFER" may also include utility vehicles and motorcycles of National Irrigation Systems under IOSP only subject to the limitations of 15% of their estimated replacement cost and other conditions previously outlined by the same Memorandum Circular. Furthermore, in the replenishment, amount spent for service vehicles without equipment rental must be separated from the construction equipment.

For strict compliance.
