#### Subject : GRAINS PRODUCTION ENHANCEMENT PROGRAM

The Grains Production Enhancement Program (GPEP) was launched by President Fidel V. Ramos on May 3, 1993 (DA's 76th Anniversary) to start this year's Palagad Cropping. NIA would play a key role in this program as the targets are primarily concentrated on existing irrigated areas. The program document (Implementing Guidelines) is attached for your reference. This is issued by the Agriculture Secretary under Administrative Order No. 12, dated April 30, 1993 which exhorts all Regional Field Offices, participating Bureaus and Attached Agencies to give priority to the operationalization of the program.

You are enjoined, therefore, to coordinate with your respective committees and DA-Regional Offices regarding the implementation of the program. Refer to the membership and functions of the various committees presented in the guidelines.

The organization set-up is attached for ready reference.

For compliance.

#### SUBJECT : Implementing Guidelines of the Grains Production Enhancement Program

The Implementing Guidelines of the Grain Production Enhancement Program (GPEP) is hereby issued for reference and guidance of all government and non-government agencies as well as rice and corn farmers.

In order that the implementation of the GPEP is undertaken efficiently and effectively, all Regional Field Offices, participating Bureaus and Attached Agencies are expected to give priority to the operationalization of the program and undertake their mandate, as guided by the Implementing Guidelines.

The support and full cooperation of the concerned Local Government Units through their agricultural extension service units is vital and therefore must be secured.

This Order supersedes all other Administrative Orders inconsistent herewith and shall take effect immediately.
