HON. EUFEMIO C. DOMINGO
Chairman
COMMISSION ON AUDIT
Don Mariano Marcos Avenue
Quezon City

Subject: Permit to Purchase Radiocommunications Equipment

Sir:

X X

The National Telecommunications Commission (NTC) is tasked to administer and implement radio laws and regulations in order to ensure effective and efficient utilization of our spectrum resource and better coordination in the use and operation of radiocommunications in the country.

In this connection, we wish to inform that under Act 3846 as amended, any entity including government agency intending to establish, operate and acquire radio stations shall first apply to this Commission a Permit to Purchase. We would like to emphasize further that a Permit to Purchase is issued with the assurance of available radio frequency (ies).

To enforce above regulation, this Commission seeks your assistance in the strict implementation of the above law wherein clearance for payment in the purchase of radio-communications equipment by any government agency shall only be given due course among others, upon presentation of the requisite Permit to Purchase issued by the National Telecommunications Commission.
