MEMORANDUM CIRCULAR

TO : THE DEPUTY ADMINISTRATOR, ASSISTANT ADMINISTRATORS,
REGIONAL/OPERATION MANAGERS, IRRIGATION
SUPERINTENDENTS AND ALL OTHERS CONCERNED
NATIONAL IRRIGATION ADMINISTRATION

SUBJECT : SECOND IRRIGATION OPERATIONS SUPPORT PROJECT (IOSP-II)
MONITORING AND EVALUATION FORMS/FORMATS

Attached are three (3) various forms/formats designed to be used by concerned units in the regular operational monitoring and reporting of IOSP-II activities and accomplishments as follows:

1. IOSP-II FORM 001 - JOB ORDER MASTERLIST (JOM)
2. IOSP-II FORMS 002 - I to VII - CI-R
3. IOSP-II FORMS 003-A to 003-H - REIMBURSEMENT REPORTING FORMS (CSR)

The Job Order Masterlist (JOM) is a listing in ascending numerical order identifying the different components and sub-components of the project to which costs are to be properly charged. The JOM serves as guide/reference in costing and preparation of the Cost Summary Report (CSR).

The CI-R is composed of several forms designed to monitor and evaluate the physical and financial accomplishments on project implementation.

The CSR is one of the documents required in the availment of loan proceeds. It is the source of data for reimbursement of project expenses. The delay in the monthly submission of the CSR would mean a delay in reimbursement application with the Bank and has a corresponding effect on the availability of funds for the continuing implementation of various project components.

In order to facilitate and standardize the submission of reports/requirements to the lending institution, management and other concerned offices, the above-mentioned forms/formats shall be adopted and accomplished in the implementation of IOSP-II.

This Memorandum Circular takes effect immediately and
supersedes all other issuances.

For strict compliance.
