OUR REFERENCE

MC # 30 Series of 1997

**TO: THE DEPUTY ADMINISTRATOR; ASSISTANT ADMINISTRATORS; HEADS OF DEPARTMENTS AND STAFFS; REGIONAL IRRIGATION MANAGERS; OPERATION MANAGERS; PROJECT MANAGERS; PROVINCIAL IRRIGATION OFFICERS; IRRIGATION SUPERINTENDENTS; AND ALL OTHERS CONCERNED**

**SUBJECT : CREATION OF PROJECT/SYSTEM MONITORING TEAM**

In line with the Agency's thrust to further improve, and strengthen our organization in the implementation of irrigation projects and in the operation & maintenance (O & M) of irrigation systems, a Project/System Monitoring Team (PSMT) at the Office of the Administrator is hereby created to be composed of the following:

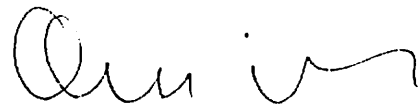

|                                         |                                 |                      |
|-----------------------------------------|---------------------------------|----------------------|
| Alejandro R. Cruz                       | - Dept. Manager, SPS-PDI        | Team Leader          |
| Fidelito E. Velasco                     | - Proj. Mgt. Officer A, SPS-PDI | Member               |
| Leonardo E. Balite                      | - Principal Engineer A, SOEM    | Member               |
| Eleuterio L. Luz                        | - Senior Engineer, DSD-PDI      | Member               |
| Guillermo C. Mercado                    | - Mgt. System Specialist, MSD   | Member               |
| Colonel Augusto L. Dela Cruz (Ret.)     |                                 | Technical Consultant |
| D/General Protacio L. Depokokibo (Ret.) |                                 | Technical Consultant |

The PSMT will be complemented by competent senior personnel from the regional/project office which has jurisdiction over the project/system. The Special Projects Staff-PDI shall provide support as the Secretariat of the PSMT.

The primary objective of the PSMT is to provide the top level management with a comprehensive, reliable, unbiased and accurate information, observations, evaluations and recommendations concerning the implementation of the projects and O & M of irrigation systems.

To attain its objectives, the PSMT shall monitor and evaluate the plans, programs, activities and performance of the various operating units at the central and field offices including the working committees that are involved in the procurement of goods and services, and in the implementation of contracts and force account works.

Compliance is hereby enjoined.
