: The Deputy Administrator, Assistant Administrators, Heads of Departments/Staffs, Regional Irrigation Managers, Operations/ Project Managers, Irrigation Superintendents, Provincial Irrigation Engineers and All Others Concerned This Agency

SUBJECT : PROVINCIAL FOOD SECURITY WORKSHOP

In preparation for the National Food Security Congress to be held on 12 August 1998, the Department of Agriculture - Regional Field Units (DA-RFUs) will be conducting Provincial Food Security Workshops from 29 July to 05 August 1998.

The outputs of these workshops will be used in preparing Provincial Plans and Programs to achieve food security as envisioned under the Agriculture and Fisheries Modernization Act of 1997.

NIA's contribution or participation in defining the current state of the country's food security and production potentials is to provide information on area irrigated and planted to various crops (rice, corn, other grains) by municipality. The RIOs are required to submit to SPS-SOEM the same data/information that their PIOs have furnished in the workshops on or before 10 August 1998.

Attached for your information are the following forms for your reference:

1) Activity Flow for the National Food Security Congress (NFSC)

2) Sample forms to be filled up in the workshops

You are directed to actively participate in the workshops. Coordinate with the DA-RFU and Provincial Agricultural Officers on the schedule of workshops in your respective areas.

For compliance.
