Re: Electricity and Fuel Saving Measures

Date: 2008-05-31

All departments, agencies and government-owned and controlled corporations shall adopt electricity and fuel saving measures as soon as possible. To encourage officials and employees to conserve electricity and fuel, all savings on these items in their respective Maintenance, Operating, and Overhead Expenses can be used as additional rice and transportation subsidy to their employees. The Chairman of the Philippine National Oil Company Development and Management Corporation and the Department of Budget and Management are requested to jointly monitor this program and report to the President every quarter.

All local government units are encouraged to do the same.
