Dear Hon. Yap:

Warm greetings!

The Institute of Electronics Engineers of the Philippines, Inc. (IECEP), a Professional Regulation Commission (PRC) - accredited organization of Electronics Engineers & Electronics Technicians, composed of 70,000 registered electronics engineers and technicians some 5,000 electronics engineering student members throughout the Philippines, will hold its 59<sup>th</sup> National Convention and Exposition on December 9 to 11, 2009 at the SMX Convention Centre, Mall of Asia Complex in Pasay City.

With the theme, *Electronics Engineering: Opportunities and Challenges*, the three-day convention is the annual gathering of electronics engineers and electronics technicians from the government and private sectors, construction, consultancy, academe and commercial sectors. The event will showcase the latest industry trends and hottest technologies such as Wi-Max, IPTV, RFID, Information Security and Green IT, as well as product presentations and technical seminars related to the practice of electronics engineering and electronics technicians. There will be also a Golf Tournament, academic forums, a quiz show, and a job fair for attending delegates. Delegates who will attend will automatically earn fifteen (15) Continuing Professional Education (CPE) units, a requirement for a professional to renew his PRC ID.

In this regard, may we request your good office to allow IECEP-member electronics engineers and electronics technicians to attend the convention in reference with the National Budget Circular No. 486 and Civil Service Commission Memorandum Circular No. 43, S. 1993.

Enclosed is the convention brochure for your reference.

We look forward to your favorable response to this request.

Thank you & Best regards.

Very truly yours,

ROMULO R. AGATEP, PECE  
National President
