National Irrigation Administration

SUBJECT: INCREASE OF GOVERNMENT SUPPORT PRICE FOR PALAY FROM ₱2.90 TO ₱3.35 PER KILOGRAM

This circular refers to MC # 38, s. 1984, increasing the support price of palay from ₱2.65 to ₱2.90 per kilogram effective February 1, 1985.

In this connection, considering that the government support price for palay has again been increased from ₱2.90 to ₱3.35 per kilogram as implemented by NFA effective December 10, 1984, it is informed that for purposes of computing the cash equivalent of irrigation service fees, the new rate of ₱3.35 per kilogram will be implemented in the National Irrigation Administration (NIA) effective February 1, 1985, instead of ₱2.90 per kilogram.

All payments, therefore, for irrigation service fees whether current or back account made after January 31, 1985, shall be computed at ₱3.35 per kilogram and payments for back and current accounts made on or before January 31, 1985, shall still be based on the support price of ₱2.65 per kilogram.

It is understood, therefore, that this circular supersedes MC # 38, s. 1984, increasing the support price from ₱2.65 to ₱2.90 per kilogram effective February 1, 1985.

Please be guided accordingly.
